## **IMPORTANT NOTICE**

### **BEWARE OF APPLICATION SCAMS**

It has come to our attention that individuals claiming to be agents of the University of Lusaka are offering services to process Applications for Enrolment on behalf of the University.

**We wish to inform the public that the University of Lusaka does not work with any agents to process applications.**

We strongly advise all prospective applicants to apply directly to the University of Lusaka through the University's official channels. Any services provided by unauthorised individuals claiming to represent the University are fraudulent and should be reported immediately.

Please, avoid falling victim to scammers. For authentic and legitimate application processes, kindly visit our official website or contact our Admissions Office directly.

Thank you.
